

Cancelled Stamps Program

What do you do with the cancelled stamps on your incoming mail? Do you - like many of us - leave them on your mailing envelopes that get tossed?

Did you know that you can donate your cancelled stamps for mission projects? Nonprofit and not-for-profit organizations take donated used stamps and sell them through auctions to stamp dealers or collectors to raise funds for various charitable programs.

Our LWML collects used stamps, and the monies that are generated support mission projects in the U.S. and around the world. You can help! Here's how.

- Save stamps that have their perforations intact, aren't too heavily cancelled, and are not torn, cut or stained.
- Leave at least ¼ inch on each side of the stamp when cutting it from the envelope or postcard. (Or bring us the whole envelope and we will trim them.)
- Bring these to church and drop them in the box located under the LWML table in the church entryway.

There! It's so easy, and now your used stamps are supporting LCMS missionaries and various LWML gospel-centered mission projects.
