GOSPEL OUTREACH THRU THE DIGITAL MISSION FIELD

The world is increasingly shaped and connected by the internet today. People are connected through technology, and Lutheran Hour Ministries (LHM) is dedicated to finding more ways to share the Gospel in this digital way.

LHM's digital resources and social media platforms...websites, blogs, podcasts, and online communities... reach people from all

walks of life and all ages of people, including children and youth. Families and individuals are able to benefit from these resources. People receive hope, comfort, and guidance in the Gospel through the sharing of a Scripture reading or hearing an uplifting message.

Several media platforms can be utilized to share the Gospel include Thred, a digital media platform for Millennials and the Gen Z population, and also through Gospel Adventures, a free online mission curriculum and weekly radio show/podcast for children and youth.

Through these unique platforms, the Gospel connects with people to help them understand the message of Jesus Christ. LHM is embracing this exciting future of the digital mission field as a strong future-focused strategy that opens the door to new opportunities.

We pray that through the use of these online resources, many will be introduced to our Lord and Savior and that the number of saints will be expanded, bringing "Christ to the Nations®—and the Nations to the Church."

This \$100,000 grant is being funded through LWML mite boxes. *If you would like to help support this mission, pick up a mite box at church and drop coins or bills inside, and return it to the church's offering plate. Or simply designate a Mite Box donation in your regular envelope offering.*
