ISRAEL – APPLE OF HIS EYE MINISTRIES
Sharing the Gospel in Israel

It is a unique time in Israel. There are six million Jewish people living in Israel today and there is an unprecedented openness by younger Jewish people to hear the Gospel.

Requests for copies of the New Testament are at an all-time high. This makes the work of The Apple of His Eye Mission Society more important than it has ever been. They are meeting people where they are with lifesaving materials to share the Good News of our Lord and Savior, Jesus Christ.

The Apple of His Eye Mission Society exists to share the Good News of Jesus with the Jewish community. This is accomplished through partnering with the LCMS World Mission to plant Lutheran churches. They also develop resources for evangelism and for training new leaders for service in the church.

The Apple of His Eye Mission Society has distributed over one million Gospel tracts, and they rely on God to provide resources through churches and individuals to carry out their mission efforts.

This \$100,000 LWML mission grant will help progress plans to plant a new Lutheran Church in Tel Aviv, which is one of the most expensive cities in the world. The church will be led by an Israeli Jewish believer who is finishing his Master of Sacred Theology degree at Concordia Theological Seminary in Ft. Wayne, Indiana. Volunteers will have the opportunity to provide ongoing short-term mission support.

You can help support this mission through a mite box. Pick one up at the collection plate area at church. Return it to the church's offering plate anytime. Or you can simply designate a Mite Box donation in your regular envelope offering.

And he said to them, "Go into all the world and proclaim the gospel to the whole creation" (Mark 16:15).
